

# Stay ahead of cancer with Color

Whether you're focused on cancer prevention and understanding your risk, navigating a current or past diagnosis, or caring for a loved one with cancer, Color has your back.

## Here's how your Color benefit works:

1. **TAKE A SHORT ASSESSMENT** to understand your risk and screening needs
2. **GET A PERSONALIZED SCREENING OR CARE PLAN**
3. **ORDER FREE AT-HOME SCREENINGS FOR CERTAIN CANCERS** and get help scheduling in-person, in-network screenings (that's right, we'll wait on hold with your doctor for you!)
4. **SCHEDULE UNLIMITED, FREE TELEHEALTH** visits with a doctor or care advocate any time you want

After completing your cancer risk assessment, Color will send you a \$10 Amazon gift card.

To claim your benefit scan the QR code or visit [color.com/sabre](https://color.com/sabre)
