Immunize Kansas Coalition – Preventing Flu

Sharon G. Humiston, MD, MPH, FAAP – Department of Pediatrics, Division of Urgent Care, Children’s Mercy
Kansas City; Professor of Pediatrics, UMKC School of Medicine

Program Overview: In this module we'll detail the burden of influenza disease, explore current immunization rates for the state of Kansas, and dive into recommended methods for increasing immunization rates in your practice setting. You will also practice giving patients succinct and accurate answers to some common flu vaccine questions.

Target Audience: Physicians, Physician Assistants, Advanced Practice Nurses, Nurses, Public Health and Other Health Care Professionals involved in vaccine promotion and administration

Faculty: Sharon G. Humiston, MD, MPH, FAAP

Planning Committee: Sharon G. Humiston, MD, MPH, FAAP; Mary Beth Warren, MS, RN

Objectives:

Upon completing this program, the participant will be able to:

- 1) Detail at least three features of influenza illness that are different from the common cold;
- 2) Summarize groups of Kansans who have influenza immunization rates that are lower than the Healthy People 2030 goal of 70%;
- 3) Draw a workflow diagram showing where in the process there are opportunities to increase influenza vaccination uptake; and
- 4) Answer the most frequently asked questions about influenza vaccine accurately and succinctly.

Continuing Education Credit:

All participants requesting continuing education credit must complete requirements as noted below. For this session, participant must:

- Complete all sections of online module including knowledge checks.
- Complete program evaluation.

Credit will be awarded based upon completion of the entire module and any noted requirements.

Physicians: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Kansas Medical Center Office of Continuing Medical Education and the Immunize Kansas Coalition. The University of Kansas Medical Center Office of Continuing Medical Education is accredited by the ACCME to provide continuing medical education for physicians.

University of Kansas Medical Center Continuing Medical Education designates this live activity for a maximum of 0.5 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

APRN/Nurses: The University of Kansas Medical Center Area Health Education Center East is approved as a provider of CNE by the Kansas State Board of Nursing. This course offering is approved for 0.6 contact hours applicable for APRN, RN, or LPN relicensure. Kansas State Board of Nursing provider number: LT0056-0749. Mary Beth Warren, MS, RN, Coordinator.

All others will receive a certificate of attendance.

The following planning committee member does not have any relevant financial relationships with any proprietary entities producing, marketing, re-selling, or distributing healthcare goods or services consumed by, or used on patients related to the content of the activity: Mary Beth Warren, MS, RN

The following presenter and planning committee member has disclosed relevant financial relationships with proprietary entities producing, marketing, re-selling, or distributing healthcare goods or services consumed by, or used on patients related to the content of their presentation:

Sharon G. Humiston, MD, MPH, FAAP has disclosed that she has received consulting fees from Sanofi Pasteur for her role as an advisory committee member.

A conflict of interest, or a potential for bias, exists if an individual/entity in a position to benefit financially from the success of a continuing education activity is also in a position to influence its content, design, or implementation. For this continuing education activity, conflict of interest was resolved and successful resolution of conflict of interest will be validated through the implementation of the following mechanisms.

- Relevant financial relationships were disclosed and resolved prior to everyone's participation in the planning, development, and implementation of this activity.
- Prior to participating in this activity, everyone in a position to influence its content, design or implementation received our terms and conditions regarding conflict of interest expectations and they agreed to comply.
- Speakers were selected based upon a review of their qualifications and an assessment of their ability to present the best available evidence accepted in health care practice.
- Clinical content was validated by a review of the activity for fair balance and bias, appropriate patient treatment recommendations, and whether scientific studies cited in the activity conform to standards accepted by the scientific community.
- Oversight will be maintained by monitoring the planning, development, and implementation of this continuing education activity.
- Disclosure of relevant financial relationships will be provided to the participants prior to the activity.
- Participants will evaluate the activity's success in resolving conflict of interest and providing an activity free of bias.

Product Disclosures

Unless otherwise announced prior to the session, this activity does not include any information about off-label use of a product for a purpose other than that for which it was approved by the Food and Drug Administration (FDA).

Non commercial support:

The development of this module was supported by a grant from the Immunize Kansas Coalition
